

**RANZCO 2024 ANNUAL MEETING
GLOBAL EYE HEALTH WORKSHOP
OUTLINE**

(Adelaide, Friday 1 November 2024)

Main Theme: **Retinal & Macular Diseases: Diagnosis, management & treatment in low resource environments.**

Convenors: Prof. Nitin Verma (Chair, RANZCO GEH) & Prof. Mark Radford (Executive Director, Queensland Eye Institute)

Date & Time: 0800 – 1600 Friday 1 November 2024

Location: Adelaide Convention Centre (Friday)

Registration: Via Congress registration system – Inclusive for delegates – indicate attendance via the registration form (spaces are limited).

Summary:

Retinal & Macular Diseases: Diagnosis management & treatment in low resource environments. Focus on:

- Principles of contemporary management of retinal and macular diseases in low resource environments, including diabetic retinopathy.
- Emphasis on case presentations and then an outline of what was done or what could be done.

Programme Overview:

- Overview of Retinal & Macular Diseases
- Presentation of cases. Discussion of practical management of presented cases
Panel discussion of practical management of presented cases

Time for presentation is 5 minutes. Speakers to address the following three points:

- What did you see?
- What did you do?
- What could you improve on?

Speakers will be asked to include: Photos, Images, Description.

**RANZCO 2024 ANNUAL MEETING
GLOBAL EYE HEALTH WORKSHOP
OUTLINE**

(Adelaide, Thursday 31 October 2024)

Main Theme: **Oculoplastic and Orbital Surgery Essentials in Low-Resource Settings.**

Presented by: **RANZCO GEH & Sight For All**

Convenors: Prof. Nitin Verma (Chair, RANZCO GEH) & Prof. Mark Radford (Executive Director, Queensland Eye Institute)

Chairs: Dr Charles Su (Sight For All) & Dr. Alexandra Manta (Queensland Eye Institute)

Date & Time: 1300 – 1700 Thursday 31 October 2024

Venue: **Adelaide Health and Medical Sciences Building, The University of Adelaide**
4 North Terrace Adelaide, Room - 8052a

Registration: Please register your attendance: admin@sightforall.org

For further information: admin@sightforall.org or Alexandra.manta@qei.org.au

Workshop Overview:

This seminar, organized in collaboration with Sight For All, aims to equip ophthalmologists with fundamental knowledge and skills in oculoplastic and orbital pathology, with a focus on case presentations from practitioners working in low-resource environments.

The session will address the unique challenges faced in these environments while exploring innovative solutions and future directions in the field.

Workshop Structure:

- 4 Case presentations – Highlighting interesting oculoplastic and orbital cases from their area of practice, with an emphasis on the diagnosis and treatment dilemmas.
- Presentations by invited specialist speakers
- Discussions by panel members and attendees

Time	Topic	Speaker
13:00	Lunch, Registration & Networking	
13:30-13.40	Introduction	
13:40-17:00	<p>Case Presentations</p> <p>Invited Speaker Lectures</p> <p>Prof. Tim Sullivan Dr. Garry Davis Dr. Tom Hardy</p> <p>Proposed Topics:</p> <ul style="list-style-type: none"> • Eyelid tumours • Orbital fractures • Enucleation/evisceration/exenteration • Paediatric orbital tumours 	<p>Chair(s): Dr Alexandra Manta, Dr Charles Su & Prof Dinesh Selva (TBC)</p> <p>Presenters: Dr. Duke Mataka (Tonga) Dr. Robert Ko (PNG) Dr. Nayana Pant (Nepal) Dr. Bayasgalan Purevdorj (Mongolia)</p>
17:00-17:10	Close of Session
